

## FEED MY LAMBS

Feed My Lambs is a weekly programme for mothers and children based at Rongopai House, an outreach of St Saviours Anglican Church in Kaitaia.

It is a place for mums who are struggling with life's circumstances for whatever reason to find acceptance, friendship, hope, practical help, and the chance to learn parenting and housekeeping skills.

Feed My Lambs is a catalyst for change, a door into a world with the offer of a brighter future and companions for the road, however long it may seem at times.

The St Paul's community has supported Feed My Lambs over the last five years through nappy, formula and Pak'nSave voucher drives and through our annual Christmas Shoebox appeal.

You can support this incredible ministry through their Givealittle page - you can find the link at **[stpauls.org.nz/mission](http://stpauls.org.nz/mission)**

Mums are supplied with the necessities for babies and toddlers; nappies, wet wipes and baby formula (they promote “Breast is best”) on a weekly basis.

While the mums are at the Feed My Lambs sessions, their tamariki are cared for at Tamariki Time right next door, a safe, stable and loving environment for children to engage in play and learning.

*On average it costs \$50 per week per mum (with 2 children) and there are over 20 mums per week attending this ministry.*
